Date: October 06, 2016
Reference: City of Key West Medical Director Contract Renewal

Action Statement:

This resolution will approve renewing the agreement between the City and Dr.Herrera / Dr.Guerdan for Medical Direction services provided to the City of Key West Fire Department Emergency Medical Services (EMS) for another one year period beginning January 1st, 2017 at the current cost of \$25,000 per year

Background:

The Key West Fire Department integrated into providing EMS services on April1, 2015. One of the components of this integration was the selection of a Medical Director to oversee the medical (patient care) operations of the Key West Fire Department, as is required by the State of Florida, Department of Health regulations.

Resolution 14-346 authorized the City Manager or his designee to negotiate a contract with the highest ranked proposer, Dr.Herrera / Dr.Guerdan. The original agreements term was for 1 year and provides for three additional one year renewals. If approved, this will be the second renewal option exercised. Dr. Herrera and Dr.Guerdan have provided Medical Direction services for the Key West Fire Department at a satisfactory level. The Key West Fire Department staff recommends renewing the contract for an additional year.

Purpose and Justification:

Doctors Herrera and Guerdan have continually provided excellent Medical Direction by updating and educating our crews on the protocols used by the Key West Fire Department and are dedicated to enabling us to provide the best service to the residents and visitors of Key West.
