Sent: Wednesday, May 12, 2010 10:39 AM
To: Citizens Review Board
Subject: RE: KW CRB Materials

To Steve Muffler and The Citizens Review Board.

I would like to address the issues found in my background check.

1. Grand Larceny, Battery, Carrying a concealed Weapon:

On the date specified 9/6/1988 I was in an altercation (fight) to which I was called a derogatory name (The N word) on Duval and Angela St. I was with three friends at the time. No one else was in the altercation. The other party ran into an establishment at the time was the night/dance club VOODOO. When the other party ran into the club I thought everything was over with. I went to my car and left. The other party and bouncer called police where I was stopped on Emma & Geraldine St. During the altercation there was supposed to have been a money bag that was stolen. That is where the three charges. The gun was NEVER pulled out or used during the altercation. I was wrong for being in the altercation, accepted responsibility and completed all of the punishment that was given to me by the court. It was determined that there was no Grand Larceny. Adj was with held pending completion of court punishment.

2. Shoplifting/Petty Theft: I went to Sears on said date to purchase a tool. Was looking at whether it was cheaper to buy the set or the single tool. While looking at 2 or 3 different sets the one I wanted I put under my arm to hold it separate from the others. When I made my decision on the purchase, I was not thinking went to my car for my check with the tool under my arm. My car was in the very first parking place in front of the door where the pick-up area is. I retrieved my wallet and check book and went right back in, that's when security escorted me to call the police. The Officer was going to allow me to pay for it and drop the issue, but the manager wanted to pursue. I understood that he had a job to do and may hear the same stories all the time. Again I rectified and took care of everything.

3. Fraud-Insuff Funds Check: Was in a bad marriage where funds were taken out of my account, without my knowledge and my mail was being discarded. When the issue came to light it was already at the States Attorney's office.

I hope I answered all questions and concerns in my background check. Hope this doesn't deter any ones decision on my nomination to the CRB. I did make some bad decisions in the past to which I was between 20-25 years old. With my experiences past and present, I use to educate the young kids that are up and coming in Key West and surrounding communities. Any concerns or questions feel free to contact me at 305-797-5101. Thank You for your time and consideration
