Good afternoon Karen,

Our price does in fact include the pricing of (4) backflows, including the labor, removal and disposal, equipment and material for a complete installation.

Thank you,

William –

You have acknowledged receipt of Addendum #1. This addendum provided a revised bid schedule, which you have not used, that included the addition of backflows for each pump.
Can you verify whether or not your pricing is inclusive of these 4 backflows including all labor, removal & disposal, equipment and materials for a complete installation.

Thanks
