The home is available during that time frame. I have to supply you with a 30 day contract because of a city ordinance for rentals in a residential area but I would charge you only for the days requested The total for 14 nights is \$4,200 plus a \$300 security deposit I am sending pictures of the bedrooms and the master bathroom There are full baths for each bedroom and one full bath downstairs also we have washer and dryer upstairs and downstairs Thanks Brian
