Good Morning Barry,
Thanks for taking the time to speak with me about our police motorcycle lease options. As per our conversation, the Key West Police Department wishes to lease 3 new Harley Davidson FLHP Road King Police Motorcycles. I attached your last proposal dated June 23rd, 2010. Our current lease term with our lessor is two years and will expire on March 11th, 2013.
Please include any maintenance and equipment exchange (was \$600.00 last time) costs in your proposal. I look forward to hearing from you.

Mark,

As per belowe e-mail Bruce Rossmeyer does not wish to submit a lease proposal. There are no other Harley Dealers in the tri-county area. Do you want me to find the next closest dealer or proceed with Peterson's HD lease proposal??
