**Exceptions & Clarifications:**

No Muffler is provided

**NOTE:**

1. The above price includes start-up, testing, and customer training (during normal business hours, Monday-Friday, 8 AM - 4PM). Equipment installation must complete and equipment ready to start-up. This includes all auxiliary power for generator/enclosure accessories, interconnect wiring, Remote Annunciators, etc. If there are questions regarding the locations for termination, our Project Manager will assist you. Return service calls due to incomplete installation (outside of Ring Power's control) may result in additional charges.
2. No installation (including shipped loose accessories), labor, conduit, wire, equipment off loading, anchor bolts, pad, fuel or fuel piping is included.

DESCRIPTION OF MATERIAL	UNIT PRICE	EXTENSION
-------------------------	------------	-----------

3. In some cases, based on the generator set package weights and dimensions, items may ship loose and must be re-assembled by the contractor on site. Those items might include the fuel tank, load frame & generator, generator enclosures, mufflers, etc...
4. No sales tax included
5. Proposal is based on information supplied by the Customer.
6. No specifications, drawings, or diagrams were received or reviewed. General exception is taken to any other specifications and drawings not available at time of quotation. Equipment supplied will be limited to that described in this proposal.
7. Ring Power will be supplying equipment as described in the attached documentation.
8. No equipment will be ordered without an approved Purchase Order.
9. Equipment shipped will be invoiced for at the time of delivery.
10. **Ring Power will not release equipment for production until we have received the signed sales agreement and signed and approved submittal from our customer. This is done to insure that we are providing quality equipment that fits our customer's needs.** If you need any assistance, please contact your sales representative.

Thank you for considering Ring Power Systems for your generator needs
