-------------------	---------------------------	--

On 08/12/23, at approximately 2227hrs, I (Ofc. T. Clark), while on routine patrol of the rear parking lot of, 414 Angela St, observed a subject with an active felony warrant for her arrest out of Monroe County, FL. This affidavit will reflect a warrant arrest and not additional charges reference KWPD case# 23-4573.

The subject was known to me as Marrac Weeks 08/26/02, and was walking through the parking lot.

**\*\*BWC later activated\*\***

Marrac saw me, her eyes went wide and she began to quickly walk North through the parking lot, rounding a fence. I was in a marked KWPD patrol in vehicle in full KWPD uniform with badge displayed. I made contact with her while still in my patrol vehicle. I ordered her to stop and come to me.

Marrac then ran West through the parking lot. Marrac tripped in a set of bushes, falling to the ground. Marrac stood up as I chased her and continued to flee. I had to deploy my department issued Taser as Marrac actively resisted arrest/apprehension. Marrac also dropped a plastic container with six individually bagged plastic baggies of crack cocaine (FTP cocaine). See additional affidavit for further narrative and charges.

Marrac was placed under arrest. Ofc. E. Roberts and I removed the Taser probes from her back.

EMS responded to the scene and transported Marrac to LKMC ER for clearance. Marrac did not appear to suffer physical injury, but advised she was possibly pregnant. Out of the abundance of caution, it was requested she be treated.

I transported Marrac to jail.

DRUG SALE CONTROLLED SUBSTANCE

On 08/12/23, at approximately 2227hrs, I (Ofc. T. Clark), while on routine patrol of the rear parking lot of, 414 Angela St, observed a subject with an active felony warrant for her arrest out of Monroe County, FL.

The subject was known to me as Marrac Weeks 08/26/02, and was walking through the parking lot.

**\*\*BWC later activated\*\***

Marrac saw me, her eyes went wide and she began to quickly walk North through the parking lot, rounding a fence. I was in a marked KYPD patrol in vehicle in full KYPD uniform with badge displayed. I made contact with her while still in my patrol vehicle. I ordered her to stop and come to me.

Marrac then ran West through the parking lot. I quickly exited my patrol vehicle and chased her on foot. Marrac tripped in a set of bushes, falling to the ground. I began issuing loud verbal commands for Marrac to stay on the ground. Marrac ignored my lawful commands and stood. I grabbed Marracs left arm by her sweater. Marrac pulled away and attempted to flee away from my grasp again. Marrac ignored several, loud lawful orders to get on the ground.

I deployed my department issued Taser (S/N X1200CRW6, cartridge C4109W1KY) to Marrac's middle back, as Marrac actively resisted arrest/apprehension. Marrac went to her knees as I continued to give loud verbal commands for her to get on the ground. The Taser did not achieve Neuro Muscular Incapacitation. Marrac was wearing a thick sweater/hoodie.

Marrac began to actively grab at her pockets in front of her. I could not see her hands. I issued further lawful commands for her to keep her hands where I could see them. Marrac ignored my lawful commands and continued to grab at her pockets.

I gave several verbal commands for Marrac to place her hands behind her back, which she ignored. Marrac then reached for her pockets again. I activated my Taser for another cycle, issuing further lawful commands to attempt to gain compliance from Marrac. Marrac attempted to pull the Taser probes from her back. Marrac after further verbal commands then laid on her back face up. I told her to breathe and relax.

Once additional Officers were on scene, I placed her under arrest. Marrac would still continue to touch her pockets as I handcuffed her in the front for the time being, pending evaluation from EMS.

I had Marrac stand so that I could remove the Taser probes and check her for visible injuries.

When she stood up and I had her move, I located a plastic square container, with suspected narcotics inside. It was on the ground where she was just laying. The plastic container held six individually bagged, clear plastic baggies of crack cocaine (FTP cocaine). The baggies of suspected crack cocaine were separated in baggies with different quantities, consistent with street level narcotics sales, for a total of 2.4grams.

Marrac knew she had a warrant. The warrants total bond was 305,000.00, for narcotics violations, fraud and theft (KYPD case #23-4572).

Ofc. E. Roberts and I removed the Taser probes from her back. Ofc. E. Roberts submitted the suspected narcotics, it's paraphernalia, my Taser cartridge and AFIDS to KYPD Evidence.

EMS responded to the scene and transported Marrac to LKMC ER for clearance. Marrac did not appear to suffer physical injury, but advised she was possibly pregnant. Out of the abundance of caution, it was requested she be treated.

I transported Marrac to jail.

Due to the totality of the circumstances, I found probable cause to charge Marrac Weeks with the following:

One count, FSS 893.13(1)(a)(1), Possession of Cocaine with intent to sell. Marrac was in constructive possession, after lawful arrest, of a plastic container with six individually bagged, clear plastic baggies of crack cocaine (FTP cocaine). The baggies of suspected crack cocaine were separated in baggies with different quantities, consistent with street level narcotics sales, for a total of 2.4grams.

One count, FSS 893.147(1), Possession of Drug Paraphernalia. Marrac was in constructive possession of a plastic container with FTP crack cocaine held inside.

One count, FSS 843.02, Resisting without Violence. Marrac did flee from me (marked patrol vehicle, KWPD uniform) after receiving a lawful order to stop. Marrac did ignore lawful commands, physically resisted, and continued to ignore numerous lawful commands.

Cleared by arrest.//

On Saturday 08/12/2023 at approximately 2233 hrs. I (Ofc. E. Roberts) responded to Samaritan Ln. reference an active foot pursuit of a wanted subject.

On arrival I observed Ofc. T. Clark standing over a restrained Marrac Weeks in the rear of the property at 414 Angela St. At the request of Ofc. Clark, I searched the area of the pursuit for any items discarded by Weeks, yielding no result. Ofc. Clark advised that he located apparent narcotics (Later FTP for cocaine). Ofc. Clark assisted Weeks to her feet and escorted her to the front of my patrol car where I assisted in removing taser probes from her back. Weeks was then escorted to KWFD Rescue 2 and transported to Lower Keys Medical Center. I collected evidence from the scene and submitted it to KWPD Property and Evidence Division.

My Axon BWC was activated during this incident and uploaded to Evidence.com.
