CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Please remove our company for your vending RFP bid. We do not in any way want to work with this government and especially Mr. Lucas Torres-Bull. You can let Mr. Bring know, he can contact his friend Mr. Cory Tomasetti and let him know that the contract is his, as was planned.

SHAME ON ALL OF YOU and how you treat 30 year local business owners.
