Re: Mitigation of Lien Request for
2804 Seidenberg Ave.
Owner: Lissette Cuervo Carey

Dear Commissioners;

We are the neighbors of Lissette Cuervo Carey at 2804 Seidenberg Ave. We are writing this letter in support of her request for a satisfaction of lien.

This is not a situation where an addition was added on to a property for rental purposes. The addition was constructed on an emergency basis due to the health issues suffered by her father, Louis "Sweetwater" Cuervo. Louis served this city for 34 years as an officer with the City Police Department. Even after his retirement, he remained devoted to his community and was often found helping others. When his health deteriorated, he required live-in help which his daughter provided. The house was modified to allow her and her husband to move into the house to care for her ailing father.

In light of the decades of service that this family has given to the City of Key West, the medical nature of their situation and the fact that the property has come into compliance, we ask the City to grant Lissette's request and satisfy the existing lien.

Very truly yours,

Kenneth and Alberta Brogli
