Subject: Comment on transfer of transient license- 536 Fleming Street

Please add this comment to Thursday's planning board meeting:

My name is Elizabeth Ford, and I live at 617 Fleming Street. I am opposed to this transfer of a transient rental

license because it would reduce once more the number of housing units available to long term residents of the

community. Key Cove is a condominium complex. Those are small units. How is that equivalent to the structure at

536 Fleming Street? It's not. Opening that structure to transient rental is moving the party atmosphere further

down Fleming Street. We live on the 600 block. We work in town. Our child goes to school here. Please protect

our neighborhoods

Thank you,
