Event: Seasonal beach City locations

Hi Rob,

Thank you for your contacting Portable Restroom Trailers for your facilities solutions.

Our Units are fully equipped with an attractive interior design with granite like counter top vanities, china facilities for both men and women.

Unit includes large shatter proof vanity mirror with abundant interior lighting,

Soap dispenser, toilet paper holders, paper towel dispenser and thru counter oversized wastebasket. Fully climate controlled with air conditioning and heating, equipped with slip resistant platform and double handrails. The Large fresh water holding tank or continuous garden hose hook-up and larger black water tank will accommodate your needs approx. 900 uses including hand wash. You will need 1 garden hose faucet with adequate water pressure, and Two 20 amp 120 volt electric circuit.

The Elite ADA + 2 ADA+2, upgrades our most popular unit with class and style. Coordinating hard surface vanities, abundant interior lighting. The unit includes: 3 suites 1- Women's and 1- Men's and 1- Unisex ADA. Each suite (room) has a full size vanity with sink, metered hand wash, vanity with stainless steel sink, full vanity mirror, and waste basket, dispensers for hand soap, paper towels and toilet tissue. The unit has white flushable facilities with abundant lighting, 2 easy steps with full landing and double handrails. The ADA plus 2 includes a slip resistant stainless steel ramp entry to the ADA compliant restroom. The unique hydraulics allows the entire trailer and ramp to lower to the ground with the push of a button. This design is preferred, resulting in shorter ramps and less overall footprint. The outside LED lighted occupancy indicators, and outdoor porch lighting.

The **105 gallon fresh water tank** and large waste tank holds enough for approx. 900 uses including hand washing per tank. The large fresh water interior tank allows for self-contained use or as back-up for lack of water pressure. The ADA compliant toilet has a wall mounted easy push button flush and cleaning feature, wheelchair accessible sink, compliant faucet, and door handles. The ADA compliant suite allows for a full 360 turning radius for wheelchairs and meets code in all 50 states.

2014 ADA+ 2 \$35,950. Includes hot water hand wash 2 available right now to ship Shipping \$2783 each unit

Representative to help with set-up - \$300

***Sales tax paid at titling with your local municipality.*

To: Rdelostr@keywestcity.com

Hello Rod,

As per your request for a quote, you specified you wanted two (2) restroom trailers with one (1) stall for women, one (1) for men and one (1) unisex for handicap.

Each trailer comes out to \$40,000.00 plus an additional delivery fee of \$300.00 for each trailer, we are looking at a total of \$80,600.00 with delivery.

You did inform me that you will provide tax exempt, we can definitely waive the taxes on the two (2) trailers for you.

If you have any questions or concerns you can call me to the number below or email me, have a great day.

Thank you,

Diana Lamberto
