Good afternoon,

The purpose of this email is to evoke the local vendor preference pursuant to City of Key West Ordinance 09-22 Section 2-798 regarding today’s bid opening for the “Pump Station G Rehabilitation” (ITB # 24-001).

The bid for Charley Toppino & Sons, Inc of \$2,737,144.00 is within the 5% margin of the lowest apparent bid of \$2,639,000.00. The local vendor certification was submitted with our bid and is re-attached for your review.

We are willing to match the lowest qualifying bid. Please let us know what you may need from us in this matter.

Thank you,

Michael Labrada
