Hi James,

Thank you for taking the time to email. Happy to follow the recommendations of City of Key West Staff on this one!

Best,

Dear Commissioners,

I wish to request that you adopt the proposed plan of David Bernsen to restore and reuse the Shrimpboat Sound Studio. To destroy a Historical site of this nature that could aid the city of Key West through charitable donations, seems a more logical solution. Does Key West really need another bar?

Sincerely,
James Dunn
