Re: Monroe County Local Hazard Mitigation Plan Approved Pending Adoption

Dear Mr. Tezanos:

This is to confirm that we have completed a State review of the Monroe County Local Mitigation Strategy (LMS) plan update for compliance with the federal hazard mitigation planning standards contained in 44 CFR 201/6(b)-(d). Based on our review and comments, Monroe County developed and submitted all the necessary plan revisions and our staff has reviewed and approved these revisions. We have determined that the Monroe County LMS plan is compliant with federal standards, subject to formal community adoption, for the jurisdictions below:

Monroe County, Unincorporated
City of Key Colony Beach
City of Key West
City of Layton
City of Marathon
Village of Islamorada

Upon submittal of a copy of all participating jurisdictions' documentation of their adoption resolutions to our office, we will send all necessary documentation to the Federal Emergency Management Agency (FEMA) who will issue formal approval of the Monroe County LMS plan.

Mr. Jose Tezanos
