Dear Members of the Key West Planning Board,

We understand that you are having a hearing on the side porch of 2827 Harris Ave regarding a variance request by the owner for improvements already done but still needs approval.

My wife and I own and live in 2808 Harris Ave, across the street, and we are also property and business owners in Key West. We both are fine with approving the variances requested.

Any changes to the front of the home would alter the aesthetic look which is fine, it fits the confine and contours of the home. We have no issue whatsoever with giving our approval.
