Email atldjskw@aol.com

Number of people dedicated to recycling 6

## There are three components of waste and recycling at an event: Containers/Handling/Disposal

### Containers - the receptacles needed in the event area. Options: (check one)

1-Community Services (CS) provides waste/recycling services and invoices Event accordingly. Event will provide a layout of the event location and estimated number of attendees. CS will use that information to determine the number of containers and CS staff needed for set up and support during the event.

2-Dumpster rental: Event will set up a temporary commercial account with Waste Management. Dumpsters can be used in conjunction with CS services- billed separately.

3-Event partners with a business that has containers and an active waste account. Requires approval

### Handling -placement of containers, emptying during event, clean up after event (check one)

1-Community Services provides waste/recycling service and invoices Event accordingly.

### Disposal-transportation of collected waste materials from the event to the City Transfer Station (check one)

1-Community Services provides services and invoices Event accordingly.

2-Larger events using dumpsters must set up a temporary commercial account with Waste Management (WM) to rent dumpsters. Once filled, WM removes the dumpsters and hauls waste to the transfer station. Event pays all costs associated with the temporary account with WM

3-Partnering with a business. Business must have current Waste Management (WM) account and use regularly scheduled services. Partner business must sign off and accept responsibility for all waste and agree to any overage fees on their monthly invoice. Must be approved.

The City of Key West is committed to increasing the collection of recyclable materials. As the Event Organizer, it is your responsibility to inform your vendors of your waste/recycling plan to insure they are participating.

## Supplement A - Noise

Event Name: Florida Keys Latin Festival Event Date: 3/21 3/22 2026

Excerpt from City Code Sec. 26-192. - Unreasonably excessive noise prohibited.

Noise limitations - *Within a core commercial district as defined in this article, the maximum dBA and dBC sound levels permitted on any property located therein shall be as follows:*

*The average measurement taken between ten (10) and twenty (20) seconds shall be no greater than the maximum levels set out below. The measurement shall be taken from the sound source property line, or individual lease boundary in the case of property which has been subdivided by the execution of individual leases, of the noise generating property at a location that is closest to the complainant's property line:*

a. *Eighty-five (85) dBA or ninety-four (94) dBC between the hours of 11:00 a.m. and 2:59 a.m. b. Seventy-five (75) dBA or eighty-four (84) dBC between the hours of 3:00 a.m. and 10:59 a.m.*

*In any residential or commercial district as defined in this article, a decibel meter shall be used for a complaint of unreasonable noise made at or within 100 feet of the property line of the sound source. The decibel reading shall be made at the location of the complaint. The investigating officer shall issue a citation for unreasonably excessive noise, unless in his judgment a warning is sufficient to cease the violation. There shall be no more than a total of one warning per offending person or establishment.*

Events that expect to exceed decibel levels set for their area must get a Noise Exemption from the City Commission. Noise Exemptions cannot be issued for the same location within 60 days of the last noise exemption approval.

Describe the Potential Noise Sources: DJ & Stage

Do you wish to apply for a Noise Exemption? Yes  Need City Commission Approval No

### INITIALS REQUIRED

JC 1. Applicant(s) has reviewed the City Code regarding Noise limitations and understands that an exemption from the noise control ordinance requires approval from the City Commission. Applications for noise exemptions must be received 30 days before the event

Jc 2. The processing fee for the application is \$93.88, due upon submission of application. Include this fee in the Special Event Fee Schedule.

JC 3. Dear Applicant:

Our letter dated April 2003, stated you would be exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code, and you would be treated as a public charity, rather than as a private foundation, during an advance ruling period.

Based on the information you submitted, you are classified as a public charity under the Code section listed in the heading of this letter. Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(3) of the Code.

Publication 557, Tax-Exempt Status for Your Organization, provides detailed information about your rights and responsibilities as an exempt organization. You may request a copy by calling the toll-free number for forms, (800) 829-3676. Information is also available on our Internet Web Site at [www.irs.gov](http://www.irs.gov).

If you have general questions about exempt organizations, please call our toll-free number shown in the heading.

Please keep this letter in your permanent records.

Sincerely yours,

Robert Choi

Reference: Florida Keys Latin Festival

This office reviewed the special event application for the Florida Keys Latin Festival to be held at Bayview Park on March 21 from 11am-8pm and March 22 from 11am-8pm.

The following conditions apply:

- Any cooking that takes place on city property needs to have a Life Safety Inspection.
- Attached are the vendor regulations for special events.
- Event organizer is responsible for EMS rescue Gator personnel @ \$75.00 an hour per person (2). They will be present for the entire event on 3/21 & 3/22 to conduct a Fire Safety Watch & and respond to any medical calls for the event.
- Please note that an additional hour will be billed to cover the inspection and setup of equipment for your event.
- The applicant is responsible for informing us of any event cancellations or changes no later than 24 hours prior to the scheduled time. Failure to provide timely notification may result in billing for the full amount.
- Event coordinator is responsible for scheduling the inspection with this office.

If I can be of any further assistance, please contact me.

## Food Booth and Vendor Regulations

### Vendor Booth Construction and Location

1. Each vendor booth shall have at least one exit way, minimum 3 feet wide by 6' height (booth frame shall not intersect exit path).
2. A 60-inch clearance shall be maintained between the cooking surface and any combustible canopy.
3. All hydrants must maintain 5' clearance on each side to allow fire department access.
4. **Each vendor shall stay within their assigned area, equipment and supplies shall not be staged outside their allotted space. ie: sidewalks, exit ways.**

### Butane or Propane equipment:

1. Shut-off valves must be provided at each fuel source.
2. Tanks must be protected from damage and secured in an upright position and must be located at least 5 feet apart from each other.
3. No storage of extra butane or propane tanks in booth.
4. Tanks not in use must be turned OFF.
5. Unused fuel cylinders shall be stored in a secured position. Unused cylinders must be located 50 feet away from all combustibles.

All compressed gas bottles, flammable or non-flammable shall be properly secured to prevent accidental tipping over.

### Electrical Power:

1. Generators shall be placed in locations approved by the Fire Marshal's Office for "special events" use.
2. Refueling of generators is prohibited during event hours. No extra fuel shall be stored during event hours.
3. During approved refueling times, no smoking or open flames are allowed within 25 feet.
4. Extension cords shall be of grounded type and approved for exterior use. Extension cords shall be placed so as not to create a hazard.

### **Charcoal Cooking:**

1. Charcoal cooking must be located in areas away from public access.
2. Charcoal cooking must be 10 feet away from combustible structures and parked vehicles.
3. Coals shall be disposed in metal containers

### **Deep Fat Frying/Flambé/Open Flame Cooking:**

1. Deep fat frying is defined as any cooking operation or process whereby the product floats or is submerged in hot oil during the cooking process.
2. The cook area must not be accessible by the general public.
3. Deep fat frying equipment must be equipped with a temperature regulating device.
4. Separation must be maintained with a minimum of 3 feet clearance between deep fat frying and flambé or open flame cooking.

### **Fire Extinguishers:**

1. Each cooking booth must be equipped with a fire extinguisher with a minimum rating of 3A:40B:C. (dry chemical extinguisher)
2. For vendor booths, the maximum travel distance to a fire extinguisher with a minimum rating of 3A:40B:C must not exceed 75 feet.
3. Fire extinguishers must be serviced annually and be tagged accordingly.
4. Each generator must be provided with a fire extinguisher with a minimum 40B:C rating. The extinguisher shall be located near the generator and accessible at all times.
5. Each cooking booth that is using deep fat fryers must have a 6 Liter Type K (wet chemical fire extinguisher).

### **Miscellaneous:**

Fire Hydrants – Fire Hydrants must not be obstructed at any time for any reason.

Streets – Parking is limited, therefore, do not leave your vehicle parked where it will block the street in such a manner as to prevent other vehicles from passing.

*The above regulations are not inclusive of other general fire safety provisions that may be imposed upon inspection.*

***Any booth not in compliance will be immediately closed.***

## Fire Safety Tips

1. Know where the nearest fire extinguisher is located and how to use it.
2. **DO NOT** leave cooking operations unattended.
3. **DO NOT** wear loose fitting clothing while cooking.
4. Remove trash accumulation regularly.
5. Keep combustibles away from heat sources.
6. Do not spray lighter fluid on briquettes that have been previously ignited.
7. In case of emergency, **DIAL 9-1-1**.
