Good Afternoon Donna,

The above referenced variance request has received numerous extensions and postponements over the past several months. It is currently rescheduled for today's meeting.

We are the neighbors directly across the street from the referenced property. We have voiced our concern and opposition to this variance request on multiple occasions. We still OPPOSE this variance request.

My husband will attempt to take part in today's meeting, but should he be unable to attend, I wanted to ensure that the planning board is aware of our position.

Thank you,
Kim and Mike Minor

Subject: [EXTERNAL] Variance for 3528 Eagle Ave - 15 July Planning Board Meeting

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Many of the neighbors oppose this variance request. I am not sure the actual number or percentage of neighbors required to prevent a variance approval, but I respectfully request the the Planning Board address the fact that so many neighbors oppose this variance.

The woman who has always lived in the house is still living there as of July. She has been witnessed coming out of the side gate leading to the backyard. The owner had not complied with the requirement of the Planning Board to have the tenants vacate the property.

Respectfully,

Kim and Mike Minor
