Hi Dan,

Thank you for reaching out to me regarding your support of the redevelopment of 638 United Street.

We intend to install a construction fence around the property during the construction period. I reached out to Code and Building to make sure that we wouldn't run afoul of any codes if a construction fence was installed in front of your property as well. As soon as I have the answer, we can work out the details.

I'm attaching the plans, so please do not hesitate to call if you have any questions/ comments/ concerns. Thanks so much.
