Brent, here is the truck I spoke to you about this morning. As you can see by the notes from my mechanic they are doing some mild repairs and waiting on a few back ordered parts.

The mileage on this unit is 118085 miles.
The PTO hours are 2351 hrs.

It is a Terex Utilities LT38 Aerial Boom with a Terex Utilities body. The Chassis is a 2005 Ford F-550 4x4 VIN# 1FDAF57P25EC67598

Price delivered to your office is \$39,000.00

Thank you,

Mike Beauregard

Here are the picture's of this truck. There are some repairs being done to this truck. There are also missing parts that are on back order. Any questions let me know.
Thank You
