To Whom it May Concern,

Recently we, St. Paul's Episcopal Church, received a notice from Mr. R. Scot Forste, Co-Owner of The Flaming Buoy Filet Company, located at 1100 Packer Street in Key West. It is their intent to open another Flaming Buoy Restaurant at 424 Eaton Street. They are applying for a Beer and Wine license.

With this letter I speak for the Vestry of St. Paul's to not oppose this application. Our only request to the state, county, and/or municipal agencies involved with granting the liquor license is that the license be attached to the owners of the property, or in this case the owners of the restaurant who will be leasing 424 Eaton Street, and not to the property itself.

I have no doubt Mr. Forste and his associates will be good neighbors near St. Paul's Church and an asset to this Eaton Street Corridor wherein there are so many attractions and non-profit institutions and establishments. We commend them for their hospitality, fine cuisine, and respect for the community.

We are happy to have them as neighbors and wish them continued success in their business.

Thank you for your consideration.

Sincerely yours,

The Very Rev. Larry D. Hooper+

To whom it may Concern:

It is our understanding that Flaming Buoy will be moving to 424 Eaton St. It is also our understanding the city would like some kind of approval from area neighbors for the Flaming Buoy to serve beer and wine to their guest as part of their service.

We would like to go on record as a neighbor who is very thankful of such a great restaurant, will be occupying the space at 424 Eaton St. and looking forward to their opening. We are not opposed to their service of beer and wine. Thank you....

To whom it may concern:

I will be not able to make the [August 16th](#) Planning Commission Meeting, but I would like to throw my support for the application at [424 Easton Street](#). I am in complete support in the Flaming Buoy getting their wine and beer license. I think they run a wonderful business at Packer Street, and they would be a great addition on Easton Street. Key West needs more upscale dining options, especially in the Lower Duval area

Thank you for your time
