I went to 1014 White street regarding building an extra apartment there. Barry Barroso took me up there and the work is already done. 3 new windows, plumbing fixtures, kitchen cabinets, toilet , 2 sinks and shower.. New front door. They were painting interior when I arrived which does not need a permit. No "Stop Work Order" because the work is complete. David, you or Wayne might need to visit the property as well. All permits will need" after the fact". Need HARC and Building permits for instalion of windows and cabinets and front door and jam.. Appears shower is new.
