1. What aspect of your life and/or work experience has prepared you for membership on the CRB? I have a diverse work experience; I've learned that you approach every challenge with a clear mind and be non-judgmental. I've learned that you listen to parties and with corroborating facts; honest and fair conclusions are made. I've interviewed countless victims, witnesses and offenders both in the criminal and family safety arenas. I've developed a holistic view of our community that is an asset that I will bring to the CRB. I believe in volunteer work because organizations such as the ones I'm a part of cannot afford to provide services to our community without the dedicated volunteers that give up their free time to a cause they care for. A major part of my work experience is in law enforcement. This experience in my humble opinion can be

beneficial to the CRB. The CRB enjoys having members of diverse backgrounds and I would like the opportunity to bring my background/experience to this Board.

2. Why do you wish to serve on the CRB? I believe in giving back to the community. Serving on the CRB will give me that opportunity. I've been and continue to be a public servant, making the time to volunteer because I care. The CRB was created to serve our community in an area that can be quite controversial. It is a challenging responsibility that the Board bears. I believe in honesty and transparency something that I will bring to the CRB to meet said challenges.

To Whom It May Concern:

Elvin Quinones has been a volunteer with the Florida Keys SPCA since October 2014 and has been extremely dedicated to our organization. Elvin is a part of our special events volunteer team where he volunteers for many of our fundraiser events throughout the year, such as Parade of Paws, POSH and Spring Social in which we require many helping hands to be successful.

Special events and fundraisers are a primary way we are able to raise funds for programs that serve the community and can be lifesaving such as our Spay/Neuter clinic, Oscar's Fund, Faith Program and most recently our Capital Campaign to help build our new shelter we so desperately need. Without volunteers like Elvin, our special events and fundraisers would not be possible.

Please let me know if you need any further details or references on the accomplishments Elvin has been a part of for the FKSPCA.

Respectfully Yours,

Tiffany Burton

To Whom It May Concern:

For the past several years, Elvin Quinones has volunteered for the Tropic Cinema, and over that period of time, I've gotten to observe his work and character. So when Elvin asked me to write this letter on his behalf, I was thrilled to do so, if only to give back to a volunteer who has given much to us.

I could say he's a great guy. I could say he's a hard worker. I could even say he's honest. They are, of course, all very true statements. But beyond that, he cares, genuinely cares, about Key West.

So, on behalf of not only Elvin Quinones but Tropic Cinema as well, I ask you to please welcome him to your committee.

Most sincerely,

John Abramson,
