This is a statement of terms of lease for a residential space located at 1215 Duncan St. hereinafter called premises. Said lease is being entered into by the owners of the property, hereinafter called the lessors and **William Montgomery and Robin Gregory** hereinafter known as the tenants. The tenants agree to the following terms:

Security deposit ... Tenants agree to pay a security deposit of **\$500.00**, against usual wear and tear on the premises described above. The security deposit may be refunded after a tenant has vacated the premises and the lessor/agent has inspected the premises described above. A portion of the security deposit may be retained by the lessors for any repair determined needed to restore premises to the same condition it was in when tenant took possession.

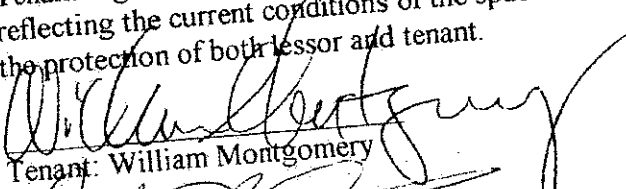

Tenant agrees to pay a rent each month of **\$1200.00** in a just and timely fashion. Rent is due on the 1st day of each month. Failure to pay on time will result in a charge of 1.5% per month on the unpaid balance. Tenant is responsible for Electric, phone and water. Water bill is combined with the adjoining unit and will be split based on equal number of occupants.

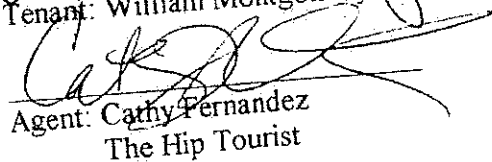

Tenant agrees that the premises leased will in no way be modified, altered or demolished without the written permission of the lessor. If alteration, modification or demolition is required, lessor will determine all facets of such work.

The lease of said premises shall begin on the 1st day of the month of September and continue on a Month to Month basis, with no alteration of the rental amount for one year. Lessor may terminate the tenancy or modify the terms of this Agreement by giving the Tenant 30 days written notice. Tenant agrees to give the lessor notice of 30 days before vacating the premises.

This lease acknowledges that 2 adult(s), 2 pets (1 small dog & 1 cat) allowed to occupy the premises listed above. Additional person(s) staying for a period exceeding fourteen days may cause lessor to request that the tenant vacate the premises. Additional person(s) staying for a period exceeding fourteen days need to be announced to the lessor/agent. This allows us to maintain a fair usage of utilities (water) since the water usage is split fairly amongst tenants.

Tenants agree to allow lessor to inspect the rental property for needed repairs. A detailed checklist reflecting the current conditions of the space will be executed with the tenants prior to move in, for the protection of both lessor and tenant.
