

**TREE COMMISSION TREE REMOVAL REPORT  
CITY of KEY WEST**

**PROPERTY: 520 Petronia Street**

**APPLICATION NUMBER: T2025-0208**

**REQUEST: Applicant is requesting removal of (1) Stangler Fig**

**TREE ASSESSMENT and PHOTOS**

**This tree has been improperly pruned.**

**Unfortunately, improper trimming is more common on lot-line trees.**

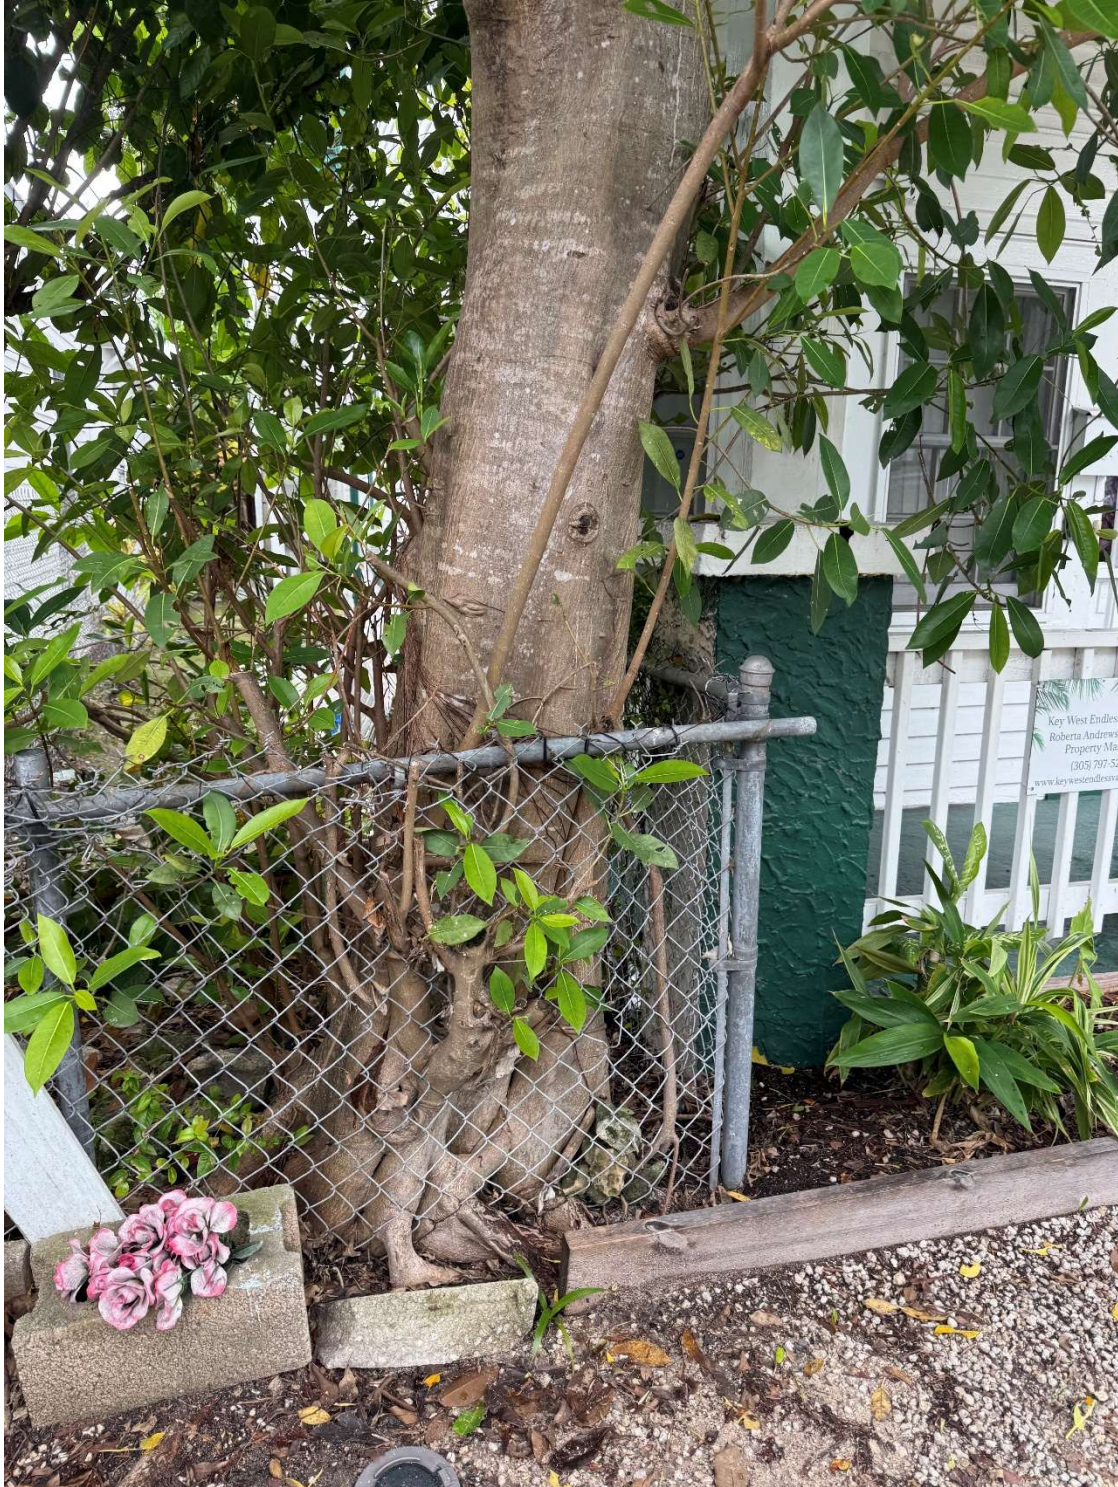

**The canopy can be replaced and improved with mitigation.**

**Positive ID of Stangler Fig leaf. This species of Ficus is aggressive and common to see as a volunteer tree.**

**This species of tree needs to be allowed to grow a dominant canopy. This position will not afford this tree to become a healthy mature tree. Furthermore, it likes to consume or strangle other trees and objects like this fence.**

**Diameter: 12"**

**Location: 60%**

**Species: 100%**

**Condition: 80%**

**Value: 80%**

**Recommended Mitigation: 9.6 Caliper Inches**

**NOTES: This tree is growing in a position that is not suitable for the life of the tree. Mitigation presents an opportunity to replace and improve the landscape and canopy on this property.**

**PREPARED BY:**

**Brett Mayle - Urban Forestry Manager**

**&**

**Zach Bentley - Asst. Urban Forestry Manager**
