RE: DEVELOPMENT REVIEW COMMITTEE KEYS ENERGY SERVICES  
COMMENTS FOR MEETING OF APRIL 25, 2024

Dear Planning Director:

Keys Energy Services (KEYS) received the Development Review Committee Agenda for April 25, 2024. KEYS reviewed the items that will be discussed at the City's Development Review Committee meeting.

Below are KEYS' comments:

LOCATION: Minor Development Plan - 711 Eisenhower Drive  
COMMENT: KEYS has no objection to the request for the Minor Development Plan. The applicant needs to make sure to take the landscaping into consideration by not placing tall trees under the existing 69kV transmission power lines. KEYS would like to have the power lines included in the site plan. The existing transmission 69kV power lines and poles will need to be accessible by bucket truck. The proposed rack "D" is a concern with a boat on the top rack, the boat will need to maintain 19' feet clearance from the lines for everyone's safety. The 2023 National Electrical Safety Code 234 will need to be followed. If power is required for this project, please submit a project review form. This will ensure the new load and the surrounding customers' power requirements are met.

LOCATION: Major Development Plan - 619-621 Duval Street  
COMMENT: KEYS has no objection to the request for the Major Development Plan. The applicant will need to submit a full set of plans and a project review form. The project will need to have either an overhead or underground line extension per KEYS policies.

LOCATION: Major Development Plan - 1904-1906 Flagler Avenue and 1908 Flagler Avenue  
COMMENT: KEYS has no objection to the request for the Major Development Plan. The applicant will need to submit a full set of plans and a project review form. The project will need to have either an overhead or underground line extension per KEYS policies.

Thank you for giving KEYS the opportunity to participate in the City's review process. If you have any questions, please call me at 305.295.1055.

Best regards,

Matthew Alfonso  
Supervisor of Engineering
