

FY27 - SAB Ranked Priorities

By Type:

Increase Resiliency of Island

1. Implement ESCO plan to reduce energy/water use (116.5)
2. Implement/Incorporate Adaptation Plan Ten Year CIP (115.5)
3. Implement Green Building Program (109.5)
4. Develop stronger building codes (104.5)
5. PR Efforts for Major Initiatives (84.5)
6. Complete City Buildings Asset Management Files (78.5)

Car Free Key West

1. Achieve Hourly Lower Keys Shuttle Schedules (123)
2. Create another Roundabout on Crosstown Greenway (119.5)
3. Increase permanent funding for Transit (118.5)
4. Implement Exemplary eBike Program (113.5)
5. Implement SS4A Safety Action Plan (105.5)
6. Increase Alternative Transportation Public Information (99.5)
7. Complete EV Charging, Bus & Fleet Plan (98.5)
8. Launch Bike Share Opportunities (97.5)
9. Improve Bus Stop Facilities (91)
10. Increase AltTran in Special Events Permits (79.5)
11. Update Mobility Policies and Processes (76.5)
12. Increase AltTran Policies (60.5)

Environmental Protection

1. Living Shoreline Plan (155)
2. Adopt More BMPs for Stormwater (149)
3. Fulfill Water Quality Implementation Plan (145.5)
4. Increase Beach Health Reports (137.5)
5. Complete Ten Year Energy Plan (119.5)
6. New City buildings = LEED Gold (113.5)
7. Create a Green Procurement Policy (91.5)

Waste Diversion

1. Reduce contamination in recycling (174)
2. Make special events more sustainable (171)
3. Reduce marine debris along shorelines (163)
4. Increase reusables in school cafeterias (153)
5. Update Solid Waste Master Plan (144)
6. Reduce single use items at restaurants (134.5)
7. Single Use Plastic Ban in Leases (98.5)
8. Explore new ways to compost (93.5)
9. Implement Adopt a Stormdrain Program (92)

Overall Ranking:

1. Reduce contamination in recycling (174)
2. Make special events more sustainable (171)
3. Reduce marine debris along shorelines (163)
4. Living Shoreline Plan (155)
5. Increase reusables in school cafeterias (153)
6. Adopt More BMPs for Stormwater (149)
7. Fulfill Water Quality Implementation Plan (145.5)
8. Update Solid Waste Master Plan (144)
9. Increase Beach Health Reports (137.5)
10. Reduce single use items at restaurants (134.5)

11. Achieve Hourly Lower Keys Shuttle Schedules (123)
12. Complete Ten Year Energy Plan (119.5)
13. Create another Roundabout on Crosstown Greenway (119.5)
14. Increase permanent funding for Transit (118.5)
15. Implement ESCO plan to reduce energy/water use (116.5)
16. Implement/Incorporate Adaptation Plan Ten Year CIP (115.5)
17. New City buildings = LEED Gold (113.5)
18. Implement Exemplary eBike Program (113.5)
19. Implement Green Building Program (109.5)
20. Implement SS4A Safety Action Plan (105.5)

21. Develop stronger building codes (104.5)
22. Increase Alternative Transportation Public Information (99.5)
23. Complete EV Charging, Bus & Fleet Plan (98.5)
24. Single Use Plastic Ban in Leases (98.5)
25. Launch Bike Share Opportunities (97.5)
26. Explore new ways to compost (93.5)
27. Implement Adopt a Stormdrain Program (92)
28. Create a Green Procurement Policy (91.5)
29. Improve Bus Stop Facilities (91)
30. PR Efforts for Major Initiatives (84.5)

31. Increase AltTran in Special Events Permits (79.5)
32. Complete City Buildings Asset Management Files (78.5)
33. Update Mobility Policies and Processes (76.5)
34. Increase AltTran Policies (60.5)
