-- Betty Ann Sias Arrest Narrative:

On Sunday, May 14, 2023, at 7:04 AM, I aired over Key West Police Communications Channel One that I was out with a female camping at Bayview Park (1400 Truman Avenue). I initiated the contact after I observed the female laying on the concrete pathway by the veteran's memorial. The female had a bag and pillow with her and was covered with a towel.

The female identified herself as Betty Sias. I checked the KWPD Report Management System and discovered the following camping warning:

{05/10/2023 08:51} Reason: CAMPING WARNING
1400 TRUMAN AVE

Notes: Sias was issued a camping warning by Ofc. Litton at Bayview Park.

///

I requested for Key West Communications to inquire about vacancies at the Cornerstone Resource Alliance. Key West Communications said there were vacancies.

I reminded Betty of her camping warning and told her I would be taking her to jail. Betty immediately became verbally belligerent and told me she wasn't going to jail. I requested backup via Key West Communications Channel One. Betty grabbed her items and began walking, briskly, away from me, toward Truman Avenue. I drew my taser and gave Betty several loud verbal commands to stop and loud warnings that she would be tased. Betty continued to walk away from me. I made use of my taser. The probes struck Betty in her upper and lower back. Neuromuscular incapacitation was achieved, and Betty fell forward. I ordered Betty's hands behind her back. Betty complied and I placed her in handcuffs. I aired over KWPD Channel One that I had one tased. I assessed Betty's status and asked about pain or injuries. Betty said her head hurt. Betty fell into the roadway on Truman Avenue after being tased. I stood by and monitored traffic until backup units arrived. Backup units arrived on scene. I removed the taser probes from Betty's back. The backup officers assisted Betty to her feet and placed her in my patrol vehicle.

Betty complained of pain to her head and back. Key West Rescue responded to the scene and determined there wasn't an emergency medical need. I transported Betty to the Monroe County Jail. The jail told me they needed medical clearance paperwork since Betty was tased. I transported Betty to the emergency room at the Lower Keys Medical Center. The emergency room staff granted Betty medical clearance. I transported Betty back to the jail and turned her over to the jail staff.

Betty did violate Municipal Ordinance 62-4, CAMPING VIOLATION IN PUBLIC PLACE by sleeping in Bayview Park with her belongings around her. Betty made use of a pillow and a towel as a barrier between herself and the elements. Betty was recently issued a documented camping warning by KWPD officer Litton.

Betty did also violate Florida State Statute 843.02, RESIST/OBSTRUCT W/O VIOLENCE by becoming argumentative and belligerent while I was trying to facilitate a legal arrest. Betty also actively resisted my efforts by walking away from me after I told her she was going to be arrested. At the time I was a Key West Police Officer in the legal execution of my duties. Betty should have known I was a police officer as I identified myself as such and was dressed in my Class B uniform.
