4BR/4.5BA Private Home with Pool & Spa in Old Town near the

Historic Seaport Fare: Fly from \$29

Several major airlines have announced sales on flights to the U.S.

"The Coral House is a historic home situated in the heart of Old Town, near the Historic Seaport. You'll be just steps from everything Key West has to offer, and yet you'll have the peace and quiet of being on Fleming Street. As you enter, you'll be struck by the attention to detail. The owners have spared no expense in their recent renovation, as you can see from the photographs. There are distinctive touches of the tropics everywhere you look.

The Living Area...

This home has the traditional high ceilings found in Old Town Key West homes, so there is an immediate sense of airiness. The kitchen is large enough to accommodate the chef and as many sous-chefs as needed (or maybe just onlookers). Every appliance is there at hand, including a wine cooler. The expansive living and dining area are part of an

open plan, and wide French doors provide a view of the pool and spa. There's a large High-Def TV that can be viewed from any part of the area. A powder room is down the hall.

The Pool Area...

The pool is right outside the doors, so you can hear the bubbling waterfall from the spa to the pool at night. A spiral staircase provides access directly from any of the upstairs bedrooms, and the downstairs bedroom has direct access via a door from the ensuite bathroom. If the pool is in shade during the afternoon, you can always take the stairs up to the sundeck, which has sun most of the day.

The Accommodations...

The master bedroom has everything the "master" might want: king bed, French doors to the sundeck, flat screen TV, walk-in closets, even a wine cooler and kitchenette. The ensuite master bathroom has to be seen to be believed, with a custom glass and tile steam room and shower with multiple shower heads. There are, of course two vanities, and a Jacuzzi as well. The second bedroom has a queen bed, French doors to the sundeck, and its own ensuite bathroom. The third bedroom has twin beds, access to the upstairs front porch and a full bathroom across the hall. The fourth bedroom is located on the first floor, with a queen bed and an ensuite bathroom with direct access to the pool area. You'll have 2 off-street parking spaces in your own car port, where you can also keep your rented bikes.
