

CITY OF KEY WEST GENERAL EMPLOYEE PENSION FUND
3102 Flagler Ave
Key West, Florida 33040

June 2, 2015

Dear Mayor & Commissioners,

The General Employees Retirement Committee held a pension meeting on Monday to discuss the proposed police pension ordinance. The board unanimously voted to support the ordinance of the 13th check to the Police Officers' Retirement Plan. Although this item is not on tonight's agenda, it is important to remember the General Employees' Pension Plan and the retirees should be part of the discussion as a future similar ordinance may be forthcoming. The General Pension Board will request consideration for a 13th check and will comply with any necessary requests that the city made of the Police Pension Fund before appearing before the commission.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in blue ink that reads "Cheri Smith". The signature is written in a cursive, flowing style.

Cheri Smith, Chair

General Employees Retirement Committee
