RE: DEVELOPMENT REVIEW COMMITTEE KEYS ENERGY SERVICES COMMENTS FOR MEETING OF JUNE 22, 2023

Dear Planning Director:

Keys Energy Services (KEYS) received the Development Review Committee Agenda for June 22, 2023. KEYS reviewed the items that will be discussed at the City's Development Review Committee meeting.

Below are KEYS' comments:

LOCATION: Major Development Plan & Conditional Use - 3401 Duck Avenue
COMMENT: Proposed structures will interfere with existing electric utilities. To maintain service to remaining buildings and provide power proposed buildings, KEYS will have to re-route and relocate between seven (7) and twelve (12) poles. This work will need to be completed prior to demolition of existing buildings. The owner/developer will be responsible for the cost of this work. KEYS will need to have project review forms for meters to be installed for the new buildings. This project may be fed with a mix of high voltage overhead and/or high voltage underground.

LOCATION: Vacation of City Property - Seminole Avenue, Waddell Avenue, Alberta Street, and Reynolds Street
COMMENT: KEYS requires easements for all existing electrical facilities (overhead lines and poles) in the area proposed to be vacated. The high voltage lines within the request are currently only servicing the applicant. If requested these facilities can be relocated at the cost of the property owner.

LOCATION: Transfer of a Transient Unit License - 507 Amelia Street
COMMENT: KEYS has no objection to the Transfer of a Transient Unit License request.

LOCATION: Modification of a Major Development Plan - 5220 College Road
COMMENT: KEYS has no objection to the Modification of a Major Development Plan & Conditional Use request.

Thank you for giving KEYS the opportunity to participate in the City's review process. If you have any questions, please call me at 305.295.1055.
