NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF KEY WEST, FLORIDA:

Section 1: That section 6-26 of the Code of Ordinances is hereby amended as follows*:

Sec. 6-26. Payment for city services.

(a) The organizer or sponsor of any festival, street fair, fair, carnival, athletic event, contest, competition, parade, fundraiser, rally, boat or car race or other special event which requires city authorization, whether by administrative permit or city commission approval, and which requires the provision of additional or extraordinary support services by police, fire, administrative, or other city departments in order to maintain order or safety or to escort participants shall pay to the city the cost of such services. A down payment of ten percent (10%) of the costs, as estimated by the city manager, shall be made to the city either by certified check or credit card at least ten (10) days prior to the event.

(b) The city manager shall establish a cost schedule for additional or extraordinary support services for the events referred to in subsection (a) of this section, which schedule shall be subject to approval of the city commission. established, then within thirty (30) days after the event the city may impose an interest charge on the amount due at the rate of one and one half percent (1-1/2%) per month.

(c) The city commission may grant special exceptions to this section for cause shown upon the public record.

(d) The first ~~\$500.00~~ \$1,000.00 of costs as specified in subsection (a) of this section may be waived for any organizer or sponsor which has qualified as a tax-exempt nonprofit organization according to state or federal law. Acceptance of this waiver by such sponsor shall render the event a public accommodation subject to the human rights provision of the section 38-225.

(e) Any nonprofit organization accepting the waiver provided for by subsection (d) of this section shall, within 90 days following the special event, submit to the city commission an accounting of expenses and revenues incurred and generated during the event.

(b) If the city manager approves the application, he shall then schedule it for consideration by the city commission. However, if the special event proposes to close only one block, is intended to end prior to 9:00 p.m. on any day of the year, and does not seek either a fee cost waiver or a noise exemption, the city manager may give final approval to the application.

(c) Each application shall include the name of a sponsor's contact person and that person's 24-hour telephone number(s), in case of emergency.

Section 4. That section 6-57 of the Code of Ordinances is hereby amended as follows:

Special Event Recycle Plan

American Cancer Society-Fifth Annual "Rocking Away Cancer" Event
200 block of Duval St. & 400 block of Greene St., Saturday, February 16, 2013; Noon-6:pm

Recycle Coordinators: Pam Kessler & Janie Rodriguez

Recycle Coordinator will:

- Educate and/or train recycling staff, vendors, attendees, and participants of event policies;
- Coordinate the donation of recycle bins and the pick up of recyclables with Waste Management;
- Report the volume recycled to the City of Key West ;
- Ensure food waste containers are adjacent to recycle bins;
- Stage a volunteer to ensure commingling of recyclables and trash;
- Locate public recycling areas with trash receptacles near vendors, bathrooms, and at event entrances and exits.
-

Minimum City Requirements:

1. Recycle Bins for cans and bottles within 50 feet of all drink sales locations;

We will have approximately 25 competitors selling chicken wings & chili at the event; therefore, we will have a minimum of 30 recycle bins, one within 50 feet of each location selling food. There will be 1 trash bin per each recycle bin.

2. Recycle Bins for cans and bottles will be placed behind each drink sales location;

Only food is being sold at the event. However, we will have 30 recycle bins placed at the event.

3. Delivery of recyclables to the recycle center shall be by the event or by Waste Management or other licensed vendor;

Recycle Coordinators will task Waste Management to pick up recyclables and garbage.

4. Place recycle bins throughout the event area whether or not drinks are sold at the Event.

We may need additional bins when the event's diagrammatic sketch is completed. If this is the case, we will obtain additional bins from Waste Management, to ensure there is adequate bins at the event.

5. Cardboard from event vendors/organizers must be recycled. Vendors produce most of the cardboard discarded at special events. Generally, cardboard collection points do not need to be located at public recycling stations. Locate them behind the scenes;

We will ensure the cardboard boxes are broken down and placed in the appropriate bins behind the scenes.

6. Recycle bins must be properly marked and monitored to ensure the recyclables are not contaminated by waste. Use of containers that are clearly marked and noticeable. This will help reduce the time organizers need to spend sorting out trash from recycling bins.

Recycle bins will be clearly marked "Recyclables"
