Subject: Affordable Liveaboard Marina

I would like to write my strong support for the above project. As a CEO of the largest non-profit in Key West, I can attest to the need of my staff to find affordable housing and the struggle to find such in the Key West area. We rarely lose staff for any other reason but the lack of affordable housing. This creative option would add 30 more homes that are greatly needed. I strongly recommend that this project be approved.

Sincerely,

Beth Barrett
