RE: Modification of Conditional Use Approval Resolution No. 2011-059

Mr. Bishop,

My firm represents RH Southernmost, LLC, a Florida limited liability company ("Applicant"). Please allow this letter to act the Applicants request for modification of the conditional use approval (Resolution No. 2011-059) pursuant to Section 108-91(C)(4) for the real property located at 318-324 Petronia Street; 802-806 Whitehead Street; and 809-811 Terry Lane, Key West, Florida 33040 (collectively the "Property"). A request to modify Resolution 2011-059 was submitted in 2015 and subsequently approved on March 17, 2015. True and correct copies of the request and approval are enclosed herein as Exhibit A.

The specific conditions requested to be modified are outlined below. Deletions are crossed out and new language is underlined.

1. Resolution Page 4, Paragraph 3 – "The waste and recycling handling shall be screened from adjacent properties and public rights-of-way by appropriate fences, walls or landscaping in accordance with Code Section 108-279, and the area shall be enclosed on all four sides with ~~a roof and~~ doors for access."
2. Resolution Page 5, Paragraph 10 – "Hours of operation are limited from 7:30am ~~9am~~ to 11pm daily accept during special city sanctioned events such as Fantasy Fest and Goombay."
3. Resolution Page 5, Paragraph 12 – "All waste pickup shall be daily via Petronia Whitehead Street."
4. Site Plan – Relocation of 2 bicycle parking spaces near trash area to elsewhere on site.

In support of this request, the Applicant states as follows.

The original conditional use approval required the trash area to be screened and roofed. The requirement of a covered trash area is unorthodox. Having a roof turns the trash area into a structure, as defined by the City Code, whereas a fenced in area has more flexibility from a setback perspective. Structures are required to have setbacks and the proximity of the adjacent building would prevent a structure from being located that close. There is also an issue with the likelihood of the roof capturing the odors emanating from the trash that directly conflicts with conditional use criteria in limiting any noxious odors.

The Property is subject to hours of operation beginning at 9 a.m. and ending at 11 p.m. However, many of the adjacent restaurant uses are not restricted in their hours of operation. Competing businesses are able to open earlier than the Applicant which is extremely detrimental to the business. For instance, the following businesses have hours of operation as follows:

1. Blue Heaven – 8 a.m. to 10:30 p.m.
2. Le Creperie – 7:30 a.m. to 3 p.m.
3. AJ De Lunas – 8:30 a.m. to 4 p.m.
4. Moondog Café – 8 a.m. to 10 p.m.

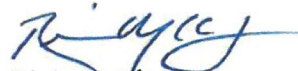

As you will see on the map attached hereto as Exhibit B, the aforementioned businesses are located within close proximity and enjoy much more favorable opening hours of operation. The condition limiting the hours of operation to a 9 a.m. opening time acts to punish the Applicant. This specific request will align the hours of operation with competing businesses in the immediate area. The Applicant is not proposing to change the current closing time, only the opening time.

The third item requested to be amended is the condition requiring the trash to be picked up on Whitehead Street. A meeting was held with the Applicant and City code staff to discuss the pickup of trash on Whitehead Street. All involved agreed that Whitehead Street was a bad location for the trash pickup. Delivery vehicles servicing the numerous businesses in the area park on Whitehead Street and block the view of the trash from the waste management workers resulting in the trash not being picked up.

Finally, the Applicant requests to amend the site plan to relocate the two bicycle parking spaces which are currently located near the trash area and move them to be aligned with existing row of bicycle parking as reflected on the proposed site plan attached hereto as Exhibit C.

If you should have any questions, comments, or concerns, please do not hesitate to contact me.

Sincerely,

Richard J. McChesney,
For the Firm

RE: Res. No. 2011-059 – Minor Modification
802-806 Whitehead St. (RE No. 00014010-000100 & 00014020-000000)

Dear Carlene:

Thank you for meeting with us to discuss this project.

We are attempting to modify the site plan layout associated with the approved restaurant use in Res. No. 2011-059¹.

The approved site plan² concentrated the restaurant seating in the outdoor rear of the property closest to the residential neighborhood. We propose to move the majority of that area forward towards the more commercialized corner of Petronia and Whitehead³ and to the interior of the existing mixed use building at 804 Whitehead. The result is a small reduction in outdoor consumption area and what remains will be moved away from the adjacent residential neighborhood. We propose no changes to any conditions of approval.

Changes to consumption area are proposed as follows:

Consumption Area	Indoor	Outdoor	Total
Existing	1,241 sq. ft.	4,595 sq. ft.	5,836 sq. ft.
Proposed	1,317 sq. ft.	4,519 sq. ft.	5,836 sq. ft.
Change	+76 sq. ft.	- 76 sq. ft.	No Change

According to Sec. 108-91.C.2(e)⁴ Minor Modifications. “change in use resulting in less than 1,000 square feet of impervious surface area on the entire site” is a minor modification. We are proposing to change the use as described above with no change to impervious surface.

Sec. 108-91 requires such modifications to be “approved by the city planner, city engineer and planning board chairperson and reported to the planning board at a regularly scheduled meeting”.

Based on the above information and the attached exhibits, we respectfully request a minor modification to the site plan associated with Res. 2011-059 as depicted in Exhibit B.

 Chairman
 Planning Director

WHEREAS, the approval of the conditional use application will be in harmony with the general purpose and intent of the Land Development Regulations, and will not be injurious to the neighborhood, or otherwise detrimental to the public welfare; and

NOW THEREFORE, BE IT RESOLVED by the Planning Board of the City of Key West, Florida:

Section 1. That the above recitals are incorporated by reference as fully set forth herein.

Section 2. That the request for a Conditional Use approval per Section 122-62 and 122-63 of the Code of Ordinances for a restaurant for up to 150 seats maximum and 6,637 square feet of flexible consumption area to be located at 802 - 806 Whitehead Street (RE# 00014010-000100 and 00014020-000000) and 318 - 324 Petronia Street (RE# 00014010-000000) and the reconfiguration of the parking lot at 809 - 811 Terry Lane (RE# 00014050-000000 and 00014060-000000) to meet Code requirements, landscaping and drainage, and to accommodate two (2) compact car spaces in order to protect the root system of large trees on the site, six (6) standard vehicular spaces, one (1) handicap space, and forty (40) scooter/bicycle parking spaces for property located in the Historic Neighborhood Commercial- Bahama Village Commercial Core (HNC-3) zoning district, pursuant to section 122-868(9) of the Code of Ordinances, Key West, Florida; providing for an effective date, as shown in the attached site plans dated November 1, 2011 with the following conditions:

 Chairman
 Planning Director

Conditions subject to a Conditional Approval Permit, per Ordinance 10-22. Conditions subject to an associated annual inspection:

1. Approval is limited to no more than 150 seats. At no time does the request for 6,637 square feet of consumption area allow the applicant to increase seating on the site without conditional use review.
2. The parking lot shall be reconfigured and maintained to include two (2) compact car spaces in order to protect the root system of large trees on the site, six (6) standard vehicular spaces, one (1) handicap space, and forty (40) bicycle/scooter spaces on the lot.
3. The waste and recycling handling shall be screened from adjacent properties and public rights-of-way by appropriate fences, walls or landscaping in accordance with Code Section 108-279, and the area shall be enclosed on all four sides with a roof and doors for access.
4. The applicant will install and maintain a programmable distributive sound system to assure compliance with the "unreasonable noise" definition of Section 26-191 of the Code of Ordinances, and shall include a computerized sound monitoring system with real time monitoring access is provided to the City. The applicant expressly agrees to provide the City's agents unfettered access to the computer-generated reports and full, real-time web-based access to the digital monitoring of on-site acoustics for the purpose of assuring compliance with the conditions contained herein.

13. In an effort to increase employment opportunities for residents of the Bahama Village Community Redevelopment Area ("BVCRA") the restaurant operator will make a good faith effort to employ a minimum of 25% of the restaurant workforce from qualified residents of the BVCRA.

"Good faith effort" means all employment opportunities will be advertised and posted in places frequented by residents of the BVCRA, such as the District 6 Commissioner's office, the Douglas Community Center, the Nutrition Center, the Martin Luther King swimming pool, neighborhood churches, neighborhood fraternal organizations, grocery stores, etc.

In the event the property owner is not the operator of the restaurant, the restaurant operator shall submit to the property owner proof of compliance with the employment requirement, on a quarterly basis. The property owner shall, in turn, provide the proof of compliance to the City of Key West, upon request. If the property owner operates the restaurant, in the event that this requirement is not complied with for any reason, the property owner shall tender to the BVCRA the amount of \$750 for each month the requirement is not met to be used to further employment programs within the Bahama Village Community.

In the event the property owner is not the operator of the restaurant, any lease, management agreement, or other document utilized to transfer operation of the restaurant shall include the provisions above along with a provision that the operator's rent will increase in the amount of \$750.00 per month for each month the

requirement is not met. The property owner will in turn pay this increased amount to the BVCRA to be used to further employment programs within the Bahama Village Community Redevelopment Area. The property owner's failure to insist upon, collect, and transfer the increased amount to the City of Key West shall constitute a breach of this condition.

This requirement shall run with the conditional use and remain in place from owner to owner, Lessee to Lessee and Lessor to Lessor.

Section 3. Full, complete, and final application for all permits required for which this resolution is wholly or partly necessary, shall be submitted in its entirety within 12 months after the date hereof.

Section 4. This conditional use approval does not constitute a finding as to ownership or right to possession of the property, and assumes, without finding, the correctness of applicant's assertion of legal authority respecting the property.

Section 5. This resolution shall go into effect immediately upon its passage and adoption and authentication by the signatures of the presiding officer and the Clerk of the Commission.

Section 6. This resolution is subject to appeal periods as provided by the City of Key West Code of Ordinances (including the Land Development Regulations). After the City appeal period has
