Re: Tree to be removed

Dear Mr. Beyer:

This confirms our meeting and review of a tree on your property that abuts upon and is pushing and causing damage to our fence that is between our properties. You have agreed to have the tree removed at your expense to avoid further damage to the fence and to avoid damage to our respective properties based upon the location and condition of the tree.

This letter is being provided to you at your request to present to any persons or entities that may have involvement in connection with the necessary undertakings to have the tree removed as quickly and as efficiently as possible.

If you have any questions, please feel free to further contact me. Thank you for your anticipated and continued cooperation.

Very truly yours,

/s/ Howard Spialter
