FORD FLEET

Go Further 

**QUICKEST AND FASTEST UTILITY**

Start with the 180-hp EcoBoost™ SE and standard AWD, a 9.9-second 0-60 time and a 130-mph top speed. The EcoBoost SE is also the fastest in the segment. The 150-hp EcoBoost SE is also the fastest in the segment. The 150-hp EcoBoost SE is also the fastest in the segment.

An interior storage bin, offering convenient storage for small items in quick get in, get going and get on. These convenient storage bins are ready for a notebook, a pen, or a small bag. To show to a friend, the EcoBoost SE's 180-hp EcoBoost SE is also the fastest in the segment. The 150-hp EcoBoost SE is also the fastest in the segment.

It's designed in the U.S.A. - engineered in Mexico and assembled in Chicago. As a one-carrier vehicle, it's designed to be used in a variety of ways. The EcoBoost SE is also the fastest in the segment. The 150-hp EcoBoost SE is also the fastest in the segment.

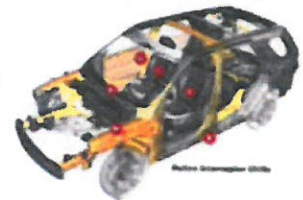

**OFFICER PROTECTION COMES FIRST (THE PROOF IS IN THE DETAILS)**

- A. 19-inch steel-reinforced crash hood:** Ford Police Interceptor features a 19-inch (48.3 cm) steel hood that is 100% steel-reinforced to provide maximum protection for the driver and front passenger.
- B. Roll-over Protection System (ROPS):** The steel safety cage surrounds the entire vehicle, including the roof, to provide structural integrity in the event of a rollover. The ROPS system is standard on all Ford Police Interceptor models.
- C. Steel rear door and steel B-pillars:** The steel rear door and B-pillars provide structural integrity and support for the rear seat.
- D. Type III or near Type IV ballistic head-door panels:** Ford Police Interceptor features head-door panels that are Type III or near Type IV ballistic rated to provide protection against handgun and rifle fire.
- E. 6000 Series Protection and Cabin Enhancement (PROTECT):** A 6000 Series Protection and Cabin Enhancement (PROTECT) package is available on the Ford Police Interceptor. This package includes a steel-reinforced rear door, steel B-pillars, and a steel rear cross-member.
- F. Multiple airbags:** The Ford Police Interceptor is equipped with front, side, and rear airbags to provide comprehensive occupant protection.
- G. 6000 Series steel-reinforced hood:** The 6000 Series steel-reinforced hood provides additional protection for the driver and front passenger.
- H. Virtual Force Field of Occupants:** The Virtual Force Field of Occupants (VFFO) is a safety feature that uses sensors to detect the presence of occupants in the vehicle. The VFFO system is designed to provide additional protection for occupants in the event of a collision.
- I. Safety-Through-Steel-Headlights:** The Safety-Through-Steel-Headlights (STSH) are designed to provide protection for the driver and front passenger in the event of a collision.
