Chairman Holland,

I am writing to express my full support for the proposed golf cart business at 922 Truman Ave. Frankly, I am open to various alternative businesses occupying that space, given my strong detestation of the current adult store operating there. The presence of the porn hub is a black eye on the neighborhood, particularly considering its proximity to three separate elementary schools within blocks of the store.

I am genuinely enthusiastic about the proposed enhancements for this location and optimistic about the professional management pledged by the prospective buyer. Thus, I respectfully urge the Development Review Committee (DRC) to grant approval for the golf cart business at 922 Truman Avenue. I firmly believe that this new venture, along with the visual improvements to the building, will greatly benefit our neighborhood.

In conclusion, I extend my gratitude to the DRC for considering this request and for its ongoing efforts to ensure that Key West develops responsibly and in accord with the island's traditions.

Sincerely,

Robert M. Wright

President

To whom it may concern,

We were approached and informed that the new potential owners would be trying to put and rent 80 golf carts at the Truman/Packer St. location. If that information is incorrect and the number is closer to 12 we at The Seam Shoppe and owner of a home in the 1100 block of Packer St. have no issue with the new business/property owners plans for that property.

Thank you,

Cindy Meyer & Nick Meyer (owners of The Seam Shoppe)

Cindy Meyer
