

COMMENDATION

It is with great pride that the City of Key West shall honor Shelby Stansel for the award she received from Key West High School for Excellence in the Visual, Performing, and Vocational Arts. Shelby is a very talented visual artist who always puts extra effort into her work. She has been involved in several mural projects at local schools and she has donated her paintings to silent auctions which have generated funds for the Key West High School Art Club. She is a member of the Key West High School Art Club and treasurer of the National Art Honors Society.

Shelby has been producing art since she was a toddler and plans to continue expanding her artistic abilities in years to come. She said "*without a doubt art will always be a very big part of my world*". A deep thinker with an inquiring mind, Shelby hopes to attend Flagler College and major in Psychology with a minor in Art Therapy. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this
Commendation to:
