Sounds good. I will plan to skip the meeting and leave it to you.

In view of the fact that further proceedings in the lawsuit related to this issue have been put off at least until March, and given the fact that there have been some discussions between the parties, it would seem to make sense to adjourn the hearing on my appeal to a later date. Would you please let me know if you're agreeable to this? If possible, I'd prefer not to attend the meeting if the hearing is going to be postponed.
