Subject: Approving Public Transportation Grant Agreement (PTGA) SFY2024 Transit Corridor Development Program Grant, PTGA # G2P02 / FM # 453638-1-84-01

Introduction

The City Manager's Office requests the approval of the attached Public Transportation Grant Agreement (PTGA) with the State of Florida Department of Transportation (FDOT) via the Transit Corridor Development Program in an amount not to exceed 100% of the total project cost of \$450,000 in operating cost.

Background

Transit Corridor Project is defined as a project identified in a Transit Development Plan, Congestion Management System, or other formal study undertaken by a public agency designed to relieve congestion and improve capacity within an identified corridor, by increasing people carrying capacity through the use and facilitated movement of high occupancy conveyances.

This agreement will provide funding for the Duval Loop route. Continued participation in this grant program allows the City of Key West to deliver a quality transit system and reduce the financial burden on the citizenry.

Procurement

The purpose of this agreement is to provide City of Key West Transportation operating assistance to continue the operation and services for the Duval Loop route. FDOT's participation in the project shall not exceed 100% of the \$450,000.00.

Recommendation

The City Manager's Office requests the approval of the attached Public Transportation Grant Agreement (PTGA) with the State of Florida Department of Transportation (FDOT) via the Transit Corridor Development Program for transit operating expenses.
