Hi Owen,

I spoke with Tom & Georgia, John Wilkins (parking director), Ben Volpian, and Patrick. It appears the option everyone can agree on is to remove the curb cut and off-street parking proposal from the application and site plans and leave the street parking as it is. I would like to see this go back before the city commission on Tuesday, March 5th. I'll need a statement in writing describing the changes and revised plans beforehand. Please let me know if this is okay. Thank you.

Best,

Vanessa Sellers
