Dear Donald J. Lee Jr.:

The Florida Department of Transportation (FDOT) State Safety Office is pleased to inform you that your agency has been selected to receive subgrant funding for the 2018 Federal fiscal year, which begins October 1, 2017. The following concept paper has been accepted and included in the FDOT FY2018 Highway Safety Plan (HSP) with the following project number, title, and funding levels below:

<u>FY2018 HSP Project Number</u>	<u>Original Requested Amount</u>	<u>Subgrant Funding Awarded</u>
MC-18-10-13	\$ 109,000	\$ 50,000
<u>FY2018 HSP Project Title</u>		
Safe Streets Motorcycle/Scooter Education and Enforcement Campaign		

Based upon funding levels awarded to the State of Florida for the Federal fiscal year by the National Highway Traffic Safety Administration (NHTSA), grant awards may not be the same as the amount requested in your concept paper and the award does not mean that everything listed in the concept paper, including any equipment requests, were approved and/or funded.

Attached is the new FDOT subgrant form that will need to be completed for execution of your subgrant funding. The total amount of the subgrant cannot exceed the funding awarded in the "Subgrant Funding Awarded" column listed above. All FY2018 subgrants MUST be submitted using the new FDOT Subgrant Form attached hereto. Any Subgrants submitted on old forms will be returned for resubmittal on the new form.

An electronic version of this letter and the FY2018 Subgrant Form has been emailed to your Project Contact, Jim BenKoczy, which was listed on your Concept Paper Application, by your assigned FDOT Traffic Safety Program Manager. They will coordinate with your Project Contact to work on finalizing the details of your FDOT/NHTSA approval, completing the subgrant form, and submitting it for execution.

We look forward to working with you on this project. If you have any questions, please feel free to contact me at (850) 414-4009 or by email at chris.craig@dot.state.fl.us. Additional information can also be found on our website at: <http://www.dot.state.fl.us/safety/3-Grants/Grants-Home.shtm>.

Sincerely,

Chris Craig, CPM, FCCM
