SUBJECT: Public Art 1% Installation Highgate Hotels Key West

ACTION STATEMENT

Review and discuss presentation of Public Art Plan from Highgate Hotels' Artist, Nate Baranowski.

BACKGROUND

Ownership of this development project changed and the new owners opted to install Public Art rather than pay an in lieu fee. They therefore are requesting approval of an Art Plan which would legitimize a refund of their previously paid fees to support installation of Public Art on their North Roosevelt Blvd. properties.

PURPOSE & JUSTIFICATION

In accordance with Sec. 2-487, Public Art Plans must meet AIPP Board Approval before the Artist is fully contracted and such approval is required in order for the refund of the fees to be completed.

RECOMMENDATION

The AIPP Advisory Board members should consider the proposed plan based on their previously determined approval criteria.

FINANCIAL IMPACT

The funds available to be refunded total \$225,000.
