Dear Madam Mayor and City Commmissioners,

I was born and raised in key west.

1. Don't approve of spending 3.3M of taxpayer money on this plaza to add light poles and trees
2. I'd rather my taxpayer money be spent on things for kids to do. Make our parks nicer
3. Narrowing the road is not justified and will worsen the traffic difficulties there. I would make the tourist lineup on the side where whitehead Street ends to see and take pictures of the 90 miles to Cuba Buoy. This way, you don't have to narrow the roads. This is actually a ridiculous project waste of money.
