

COMMENDATION

It is with great pride that the City of Key West shall honor Katelyn Garcia as the winner of the Key West High School Academic Achievement Award. Born in Key West, Katelyn loves her small community and appreciates KWHS for all the activities and chances to succeed it provides. She is a varsity cheerleader, a member of the National Honor Society, the Executive Board and the Spanish Club. An insightful young lady, Katelyn credits the DE Psychology class she took in the tenth grade for sparking a desire within her to challenge herself and learn new things.

Academics have always been her number one priority and she maintains an impressive 4.5 weighted GPA in a rigorous academic schedule, which includes classes at FKCC. Even with her busy schedule, she still finds time to tutor fellow students who are working on credit recovery. A teacher commented that Katelyn's academic success is only exceeded by her strength of character. Following graduation from high school Katelyn hopes to attend Duke University and major in journalism and communications. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this Commendation to:

KATELYN GARCIA

WITNESS my hand and seal of the City of Key West, Florida, this 20th day of September, 2011.
