**To Whom it May Concern:**

Recently we, St Paul's Episcopal Church, was contacted by representatives of Clemente's Wood-Fired Trolley Pizzeria on Fleming St in Key West. The purpose for that contact was in the context of a new application for a liquor license.

With this letter I speak for the Vestry of St Paul's who do not oppose this application. Our only request to the state, country and/or municipal agencies involved with granting the liquor license is that the license be attached to the owners of the property and not to the property itself.

Clemente's Wood-Fired Trolley Pizzeria will be a welcome new establishment in our community and we will be happy to have them as our neighbors. We wish them continued success in their new location.

Sincerely yours,

*The Very Rev. Larry D. Hooper*
