PHYSICAL CHARACTERISTICS

REMARKS

A golf cart was in the processing of being towed when Jacobs (unidentified at the time) got into the driver`s seat and began arguing with Arnold`s personnel. I approached and asked Jacobs to stop. I then ordered him out of the vehicle, and he refused, twice. On the third time I warned him that if he did not exit the vehicle, I was going to place hands on him; he refused. I grabbed Jacobs by the arm and walked him away from the vehicle and attempted to place his hands behind his back as he was pulling against me. I ordered him to stop resisting and was able to handcuff him. I walked Jacobs away from the crowd to Charles St. An unidentified female (his girlfriend) came very close to me yelling, and others began to follow suit. Back up arrived (Ofc Ham and Ofc Adorno). I sat Jacobs down at his request against to the Red Garter wall on the corner of Charles St and Duval. Jacobs was being loud, belligerent, and uncooperative.

I stepped away and discussed the case with Ofc Ham.

I reengaged with Jacobs, who was now much calmer. I explained to Jacobs the situation wholly. Jacobs said he understood and apologized. I released Jacob`s without incident giving him the information to Arnold`s Towing (the vehicle was towed). Jacobs thanked me, Ofc Ham, and Ofc Adorno. Jacobs said he was unharmed and then left the area with his girlfriend.
