RE: DEVELOPMENT REVIEW COMMITTEE KEYS ENERGY SERVICES
COMMENTS FOR MEETING OF NOVEMBER 21, 2024

Dear Planning Director:

Keys Energy Services (KEYS) received the Development Review Committee Agenda for November 21, 2024. KEYS reviewed the items that will be discussed at the City's Development Review Committee meeting.

Below are KEYS' comments:

LOCATION: Transfer of a Transient Unit License - 1004 Eaton Street to
217 Eanes Lane

COMMENT: KEYS has no objection to the Transfer of a Transient Unit
License request.

LOCATION: Minor Development Plan - 601 Howard England Way

COMMENT: KEYS has no objection to the Minor Development Plan
request. KEYS has overhead power lines that will service this
project. KEYS will need to have a full set of plans and a
project review form to ensure adequate power is supplied
for the new project and the existing customers.

LOCATION: Major Development Plan - Unaddressed Lot

COMMENT: KEYS will provide high voltage underground per KEYS
policies and tariffs. KEYS will need to have a full set of plans
and a project review form to ensure adequate power is
supplied for the new project and the existing customers.

LOCATION: Minor Development Plan - 218 Duval Street
COMMENT: KEYS objects to the Minor Development Plan request. KEYS has a concrete service pole (A17-A) that provides power to 220 & 220 ½ Duval St. This proposed new construction and new food truck would eliminate bucket truck access. Prior to proceeding the developer must relocate the services to Telegraph Ln. KEYS can meet in the field and to assist in developing alternate electrical service to 220 & 220 ½ Duval St.

Thank you for giving KEYS the opportunity to participate in the City's review process. If you have any questions, please call me at 305.295.1055.

Best regards,
