Subject: for planning board - re 536 Fleming proposed Transfer

Dear Planning Board members,

I object to any transient rental licenses being transferred to 536 Fleming. I've previously left comments on the e-comment feature. I understand those comments are not carried forward. They should be! This item has been postponed many, many times, and it would be appropriate for commissioners to have access to all public comments when the item is actually heard.

Sincerely

Monica Haskell
