

COMMENDATION CITY OF KEY WEST

Marty's Place

A.H. of Monroe County, Inc. (AHI)

A.H. of Monroe County, Inc, formerly known as Aids Help continues to lead by example in creating new truly affordable housing for our community in Key West. This accomplishment of creating affordable housing for community members (some with disabilities) has offered a chance for many to obtain stable, secure and affordable housing with the creation of 47 units at Marty's Place.

Outstandingly, A.H. of Monroe County, Inc. was able to provide housing to members of our community who earn under \$42,000. Each unit is one-bedroom with a modern design and rent is at \$1,000 per month and below.

This success is an example of what our community organizations can achieve in providing relief to the hundreds of community members and our workforce who remain on waitlists for affordable housing within the lower income categories.

With great appreciation, the City of Key West hereby presents this Commendation to

A.H. of Monroe County, Inc.

WITNESS my hand and seal of the City of Key West, Florida this 2nd day of December 2020.

Teri Johnston, Mayor

Sam Kaufman, City Commissioner
