SECTIONS 90-395 AND 122-630 OF THE CODE OF
ORDINANCES OF THE CITY OF KEY WEST, FLORIDA.**

WHEREAS, the subject property located at 612 Petronia Street, 2 in the Historic High Density Residential zoning district proposes to reconstruct an existing single family home; and

WHEREAS, the proposed reconstruction would exceed the setback requirements for the front, both sides, and rear for the zoning district; and

WHEREAS, the property owner requests a variance to the front setback from 10' to the proposed 5'. The east side setback from 5' to the proposed 2', the west side setback from 5' to the proposed 4' 11" and the rear setback from 20' to the proposed 12' 8.5" to reconstruct a single-family home outside the current 3D building envelope; and

WHEREAS, the Key West Planning Board (the "Board") finds that circumstances exist which are peculiar to the land, structure, or building involved and that special conditions which are not applicable to other land, structures, or buildings in the same district; and

WHEREAS, this matter came before the Planning Board at a duly noticed public hearing on July 17, 2025; and

WHEREAS, the Board finds that the special conditions do not result from the action or negligence of the applicant; and

WHEREAS, the Board finds that granting the variance requested will not confer upon the applicant any special privileges denied by the land development regulations to other lands, buildings, or structures in the same zoning district; and

WHEREAS, the Board finds that literal interpretation of the provisions of the land development regulations would deprive the applicant of rights commonly enjoyed by other properties in this same zoning district under the terms of this ordinance and would work unnecessary and undue hardship on the applicant; and

WHEREAS, the Board finds that the variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure; and

WHEREAS, the Board finds that the granting of the variance will be in harmony with the general intent and purpose of the land development regulations and that such variance will not be injurious to the area involved or otherwise detrimental to the public interest or welfare; and

WHEREAS, the Board finds that no nonconforming use of neighboring lands, structures, or buildings in the same district, and no permitted use of lands, structures or buildings in other districts are grounds for the issuance of the requested variances; and
